Dilemma Game App

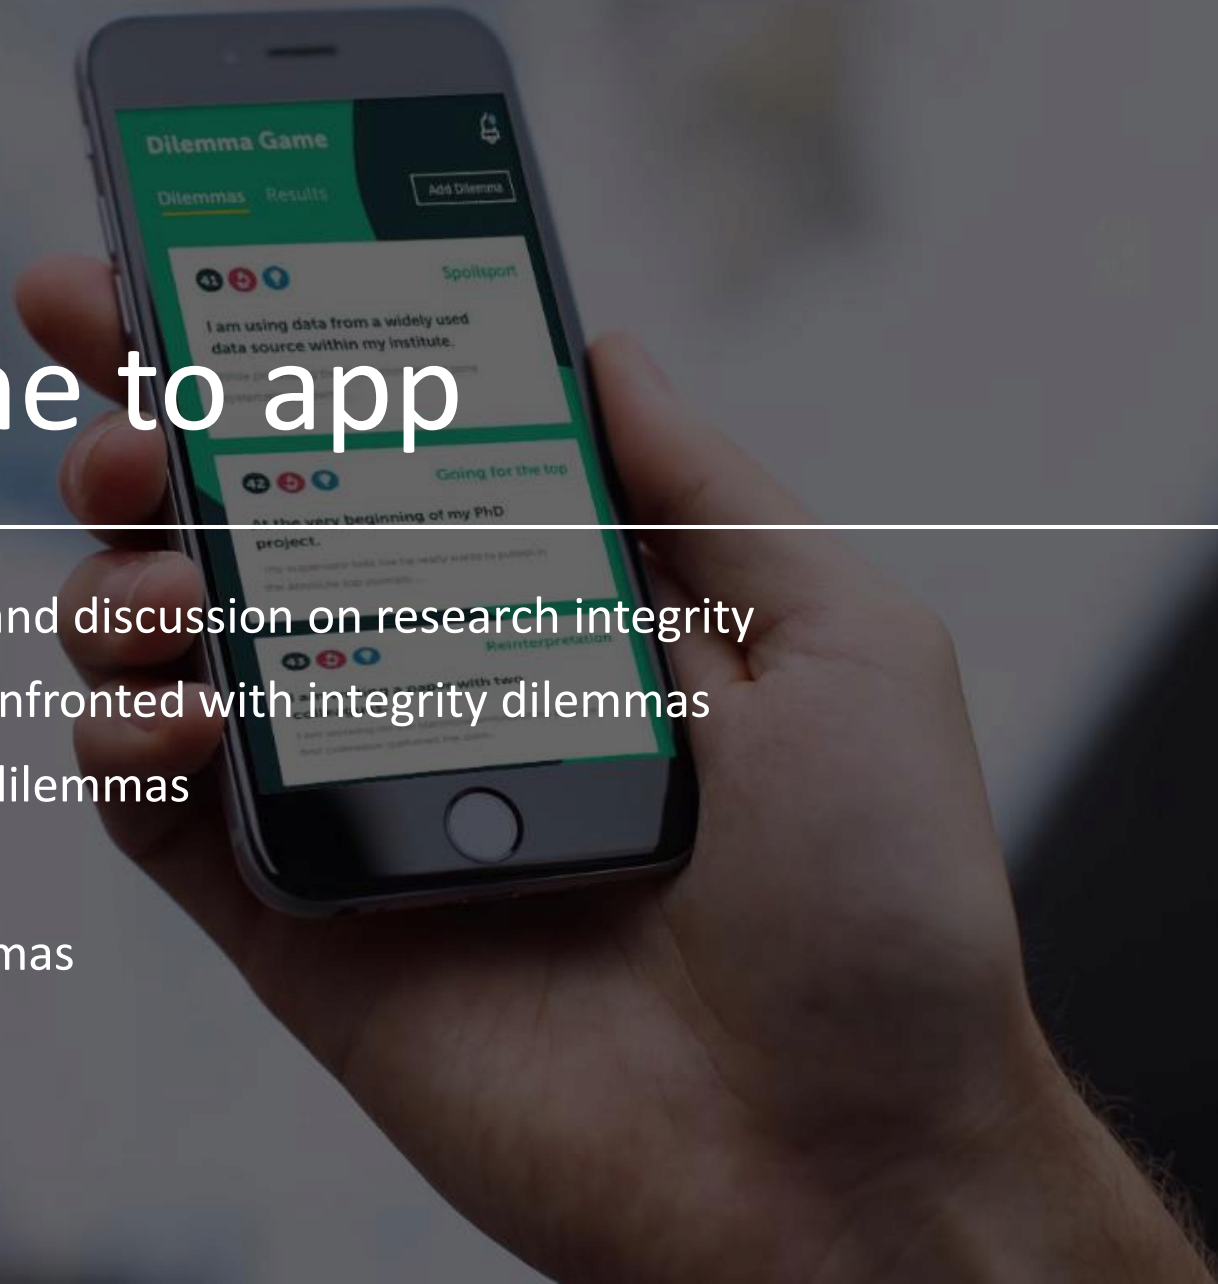

Discussing integrity

- Dilemmas relating to professionalism and integrity in research
- 75 dilemmas, based on actual cases from different researchers
- Played in small groups (4-6)
- Used in integrity classes

From card game to app

- Recurrently stimulate awareness and discussion on research integrity
- Researchers are more regularly confronted with integrity dilemmas
- Continuous development of new dilemmas
- See statistics of other voters
- Users can submit their own dilemmas

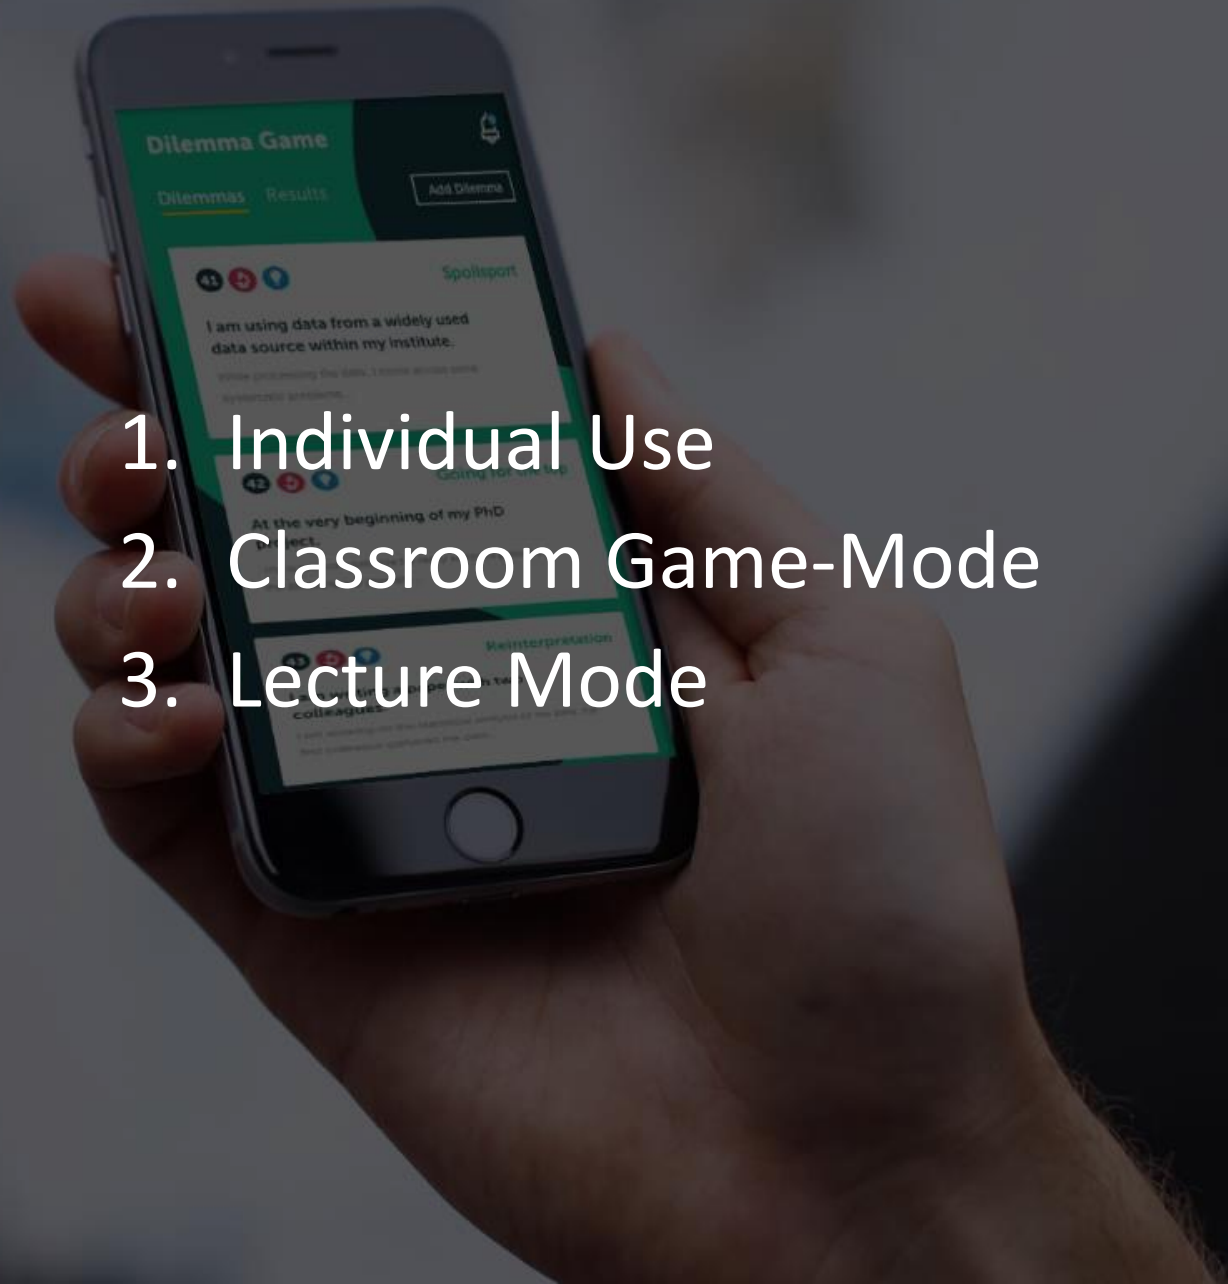

Dilemma with four options

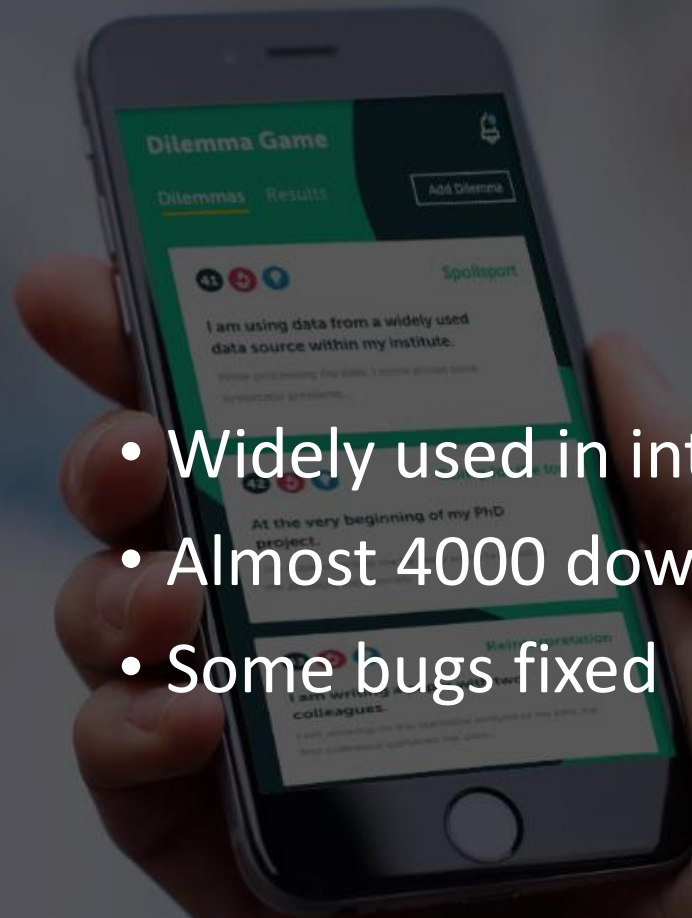

Three functions

1. Individual Use
2. Classroom Game-Mode
3. Lecture Mode

So far

- Widely used in integrity classes
- Almost 4000 downloads
- Some bugs fixed
